5 - 10 minutes walking distance from train station.

Guest Rooms at the Max Planck Institute for Heart and Lung Research

Guest Rooms
Max Planck Institute for Heart and Lung Research

The historic institute building

Location
The institute‘s guest rooms are located directly in the historic building of the Max Planck Instutute. The building is in the town center of Bad Nauheim, close to shops and bars. The train station and the new institute building are within walking distance.

Guest rooms
The guest rooms have been renovated in 2017. Eleven completely equipped rooms are available. Some of the rooms have bath rooms for shared use. A fully equipped kitchen is available.

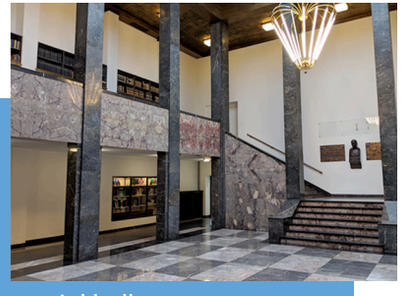

Entrance to guest rooms

Pedestrian walkway to entrance

Memorial hall

Service
Service includes a change of linen before moving in. Common areas (kitchen, bath rooms and corridors) are cleaned on a weekly basis. During use, rooms will have to be cleaned by the renter.

Facilities
Every room is equipped with WLAN. The laundry is located in the attic floor.

Expenses
Monthly room rate is depending on room size and is between 330 und 420 Euro (55 Euro surchage per week for a second person). It includes flat rates for energy, linen change and cleaning. Rental prices for apartments upon request.
